Sir:

This submission is in response to the Office Communication mailed April 20, 2006, regarding a telephonic interview (the "Interview") conducted March 6, 2006, between the Examiner, Tuan Nguyen, and Applicants' representative. Accordingly, please enter the following statement from Applicants regarding the substance of the Interview for the above-identified application.

In particular, the Interview was initiated by the Examiner to suggest a minor amendment to claim 5, in order to place it and claims 6-8 dependent thereon in condition for allowance. As a result of the Interview, Applicants' representative forwarded to the Examiner via e-mail a

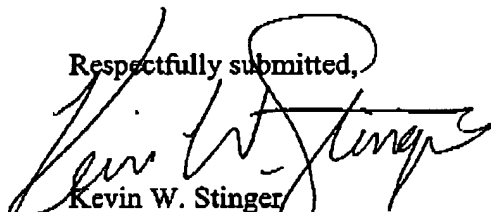

proposed claim set including amended claim 5, changing its dependency from canceled claim 11 to independent claim 1. Claims 5-8 were also amended to correct various wording informalities. Agreement was reached in the Interview that the above amendments would place these claims in condition for allowance.

CONCLUSION

In view of the foregoing, Applicants wish to thank the Examiner for the Interview and respectfully request favorable consideration of the present claims. In the event the Examiner finds any remaining issues that can be clarified by a telephonic interview, the Examiner is respectfully requested to contact the undersigned attorney.

Dated this ^{22nd} day of May, 2006.
